WORK

Wendy's

June 2020 - March 2021

Working in the front at the register, where I multitasked customer interactions and dining room cleanliness. Later I specialized in the back window managing drive-thru payments while consistently restocking ingredients.

Walmart

May 2021- PRESENT

I continue to work in the Front End, 20+ hours during the school year and 40 during the summer, where I work different tasks throughout the week such as register, return carts, self-checkout, outdoor carts, and stocking. Some tasks I specialize in are new hire training and restocking of money in both the self-checkout machines and registers.
